About KPJU Group

“

KPJ Healthcare University Sdn Bhd comprises KPJ Healthcare University, KPJ Healthcare College Johor Bahru and KPJ Healthcare College Penang. Collectively referred to as the KPJ Healthcare University Group (KPJU Group), it has been a key player in healthcare education since its establishment in 1991.

”

34 years of expertise in academic excellence

- Educating generations of healthcare professionals
- High employability of our graduates
- With compassion, perseverance, and selflessness, our students are our highest priority
- Exceptional healthcare professionals
- Technical expertise

Ongoing Commitment to Healthcare Education

Breaking New Frontiers

Introduction of new Medical Specialist programmes (MQA accredited).

2014

New Expansion

KPJIC Penang was established and started operating with its Diploma in Pharmacy programme.

2013

New Name, Greater Values

PNC was formerly registered as KPJ International College (KPJIC). KPJIC Johor Bahru was also established and started operating with its Diploma in Nursing.

2008

Going Beyond Nursing

New health sciences programmes in Pharmacy, Physiotherapy, and Medical Imaging.

2007

Nilai Nexus

ISO9001:2000 certified.

2006

Inauguration

Puteri Nursing College (PNC) at KPJ Tawakkal Specialist Hospital.

1991

2024

Moving Forward
Launch of KPJ Health System.

2023

University Status
Granted full-fledged university status.

2018

Diversification of Programmes
Introduction of blended learning options.

2017

Internationalisation

International outreach and collaborative initiatives in Indonesia, Taiwan, Cambodia, Laos, and Vietnam.

**From Strength
to Strength**

01

Our Accredited and Certified Programmes

34 Years in Healthcare Education

- All academic programmes are accredited by the Malaysian Qualifications Agency (MQA).
- Regular internal and external audits, assessments, compliance checks and national ratings for quality control.
- Programmes are certified by relevant professional bodies such as the Malaysian Medical Council, Malaysia Nursing Board and Pharmacy Board Malaysia.

Why Us?

**Healthcare Education
That Doesn't Just Teach
- But Transforms**

**This Is More Than
Education.**

This Is Empowerment.

02

**Powered by KPJ Healthcare – 44 years of
healthcare services in Malaysia**

KPJ Healthcare Berhad

- Subsidiary of Johor Corporation (JCorp).
- Malaysia's leading provider of quality private healthcare services.
- The largest network of private specialist hospitals in Malaysia.
- Reputation for excellence.
- More than 1,500 medical consultants.
- Diverse group of healthcare professionals, administrators, and support staff.

Robust Education Programme

44 Years of Excellent Healthcare Services in Malaysia

- Foundational studies to doctoral degrees.
- Practical real-world skills.
- Blending academic learning with hands-on experience.

Opportunity for Training Across KPJ Specialist Hospitals

Take your learning outside the classroom at any one of the 30 KPJ Specialist Hospitals across Malaysia.

- Real-world experience.
- Clinical training and internships at any of our 30 KPJ Specialist Hospitals across Malaysia.
- Upon graduating, students are not only academically prepared but also equipped with the confidence and expertise to excel in their medical and healthcare careers.

Top-Tier Academics with Vast Experience

- Excellent academic credentials.
- Extensive hands-on experience.
- Real-world insights into the classroom.
- Learn directly from industry leaders.
- Make informed decisions about their careers and develop the practical skills needed to excel in the healthcare sector.

Cutting-Edge Skill Labs and Latest Learning Technologies

- Practical training across disciplines such as nursing, pharmacy, and physiotherapy.
- Students gain real-world experience.

More than 15,000 Alumni Serving as Frontliners

- Skilled professionals making a global impact in healthcare.
- Prestigious settings worldwide, from Singapore and the UK to Saudi Arabia.

One University, Two Colleges, One Vision

KPJU Group provides everything you need to thrive—both academically and personally.

- KPJ Healthcare University (KPJU)
- KPJ Healthcare College Johor Bahru (KPJC JB)
- KPJ Healthcare College Penang (KPJC Penang)
- Together, our campuses are home to a vibrant community of approximately 3,000 students.
- Dynamic learning environment designed to inspire success.
- Top-tier programmes, engaging student life, and a collaborative atmosphere.

Bridging the Gap

Between Classroom Learning and Real-Life Practice

- Essential hands-on experiences in real-world settings at KPJ Specialist Hospitals.
- Gain insights into healthcare policies, regulations, and quality assurance practices.
- Collaborate with industry experts to understand the operational side of healthcare delivery.
- Collaboration with other teaching hospitals and Ministry of Health hospitals.

Empowering Future Healthcare Leaders

Scholarships, Bursary & Financial Support

Basiswa, based on academic merit

Dermasiswa, based on financial need

Setiasiswa

Nursing Sponsorship Scheme (Diploma in Nursing)

Tuition Fee Waiver (Foundation in Science)

Scholarships are applicable to candidates who:

- Accepted admission to our diploma or bachelor's degree programmes on a full-time basis.
- Will be commencing their studies in January, March, July, September, and October 2025 intakes.

The scholarships cover tuition fee waivers for the entire duration of the programme. The amount reduced from the tuition fee is reflected in the student invoice. The scholarship recipients need to meet the following requirements:

- Maintain status as an active, registered student.
- Maintain a CGPA not lower than 3.00.
- Fulfil all specific requirements related to the involvement in student activities.
- No outstanding payments.
- Not subject to any disciplinary investigation or action.

01 BIASISWA

Open to all Malaysian candidates accepted to study any full-time diploma or bachelor's degree programmes. This scholarship offers a tuition fee discount based on the applicant's examination results during the application process for diploma or bachelor's degree programmes.

- Biasiswa 40: 40% discount - SPM 9A or CGPA ≥ 3.90
- Biasiswa 30: 30% discount - SPM 7A or CGPA ≥ 3.70
- Biasiswa 20: 20% discount - SPM 5A or CGPA ≥ 3.50

02 DERMASISWA

Open to all **B40 candidates** accepted to study any full-time diploma or bachelor's degree programmes. The status as a B40 student will be confirmed by PTPTN based on the amount and rate of the PTPTN loan approved. Dermasiswa recipients enjoy a waiver equivalent to the difference between the total tuition fee and the approved PTPTN loans.

This scheme excludes students enrolled in:

- Diploma in Nursing
- Bachelor of Science in Nursing (Hons)
- Bachelor of Pharmacy (Hons)

03 SETIASISWA

Empower your healthcare career with a bachelor's, master's degree and doctor of philosophy from KPJU Group and enjoy a **10% tuition waiver** exclusively for distinguished **alumni of KPJU, KPJC Johor Bahru and KPJC Penang.**

04 NURSING SPONSORSHIP SCHEME (DIPLOMA IN NURSING)

Category	PTPTN Loan	Bank Rakyat Loan	Total Loan	Fee	Balance	Allowance/Semester
B40	37,650	30,000	67,650	48,000 46,200 (JB)	19,650 21,450	3,275 3,575
M40	28,080	30,000	58,080	48,000 46,200 (JB)	10,080 11,880	1,680 1,980
T20	18,540	30,000	48,540	48,000 46,200 (JB)	540 2,340	(One Off) 390

*All values are stated in Ringgit Malaysia (RM)

- Interested candidates will have to take PTPTN and Bank Rakyat loans (to cover the PTPTN difference).
- The hospital will pay both the PTPTN and the Bank Rakyat loans on behalf of the candidates upon their commencement of employment with a KPJ Specialist Hospital.
- The candidates shall agree to work with a KPJ Specialist Hospital according to the terms and conditions set forth in an agreement, which will be signed by both parties.

05 TUITION FEE WAIVER (FOUNDATION IN SCIENCE)

Foundation in Science is a one-year programme that prepares SPM leavers for admission to bachelor's degree programmes. KPJU Group offers a full 100% tuition fee waiver for the FIS programme, **valued at RM10,500**, to students who advance to any KPJU bachelor's degree programmes.

INQUIRIES

Contact us **010 - 848 0087** or visit www.kpju.edu.my/scholarships/ for detailed information.

A candidate is entitled to only one scheme. Other terms and conditions apply. The University has the right to change the terms and conditions from time to time.

Entry Requirements

BACHELOR

Bachelor of Business Management (Honours)

R/345/6/1026 (04/2027)
(MQA/FA7210)

- Pass STPM (\geq Grade C in any 2 subjects) OR
- Pass STAM with grade of Jayyid OR
- Pass matriculation/Foundation CGPA \geq 2.00 OR
- Diploma (level 4) CGPA \geq 2.00 OR
- Diploma Kemahiran Malaysia (DKM) / Diploma Lanjutan Kemahiran Malaysia (DLKM) / Diploma Vokaysional Malaysia (DVM) subjected to HEP Senate OR
- Advanced Diploma (Level 5, MQF) in relevant field with CGPA \geq 2.0

Additional requirements:

- Pass SPM or equivalent and pass in any Mathematics and English subjects MUET \geq Band 3 before graduation / TOEFL \geq 570 / IELTS \geq 5.5.

Bachelor of Physiotherapy (Hons)

R/726/6/0036 (01/2026)
(MQA/FA1679)

Bachelor of Occupational Therapy (Hons)

N/726/6/0067 (02/2029)
(MQA/FA5700)

Bachelor of Medical Imaging (Hons)

R2/0914/6/0007 (02/2032)
(MQA/FA1680)

- Pass Foundation or equivalent with CGPA 2.33 in any 2 of the following subjects - Biology, Chemistry, Physics/Mathematics OR
- Pass A-Level or equivalent with grade D in any 2 of the following subjects - Biology, Chemistry, Physics/Mathematics OR
- Recognised diploma in related fields with CGPA \geq 2.75 OR
- Recognised diploma in related fields with CGPA $<$ 2.75 - minimum 3 years in relevant working experience

Additional requirements:

- MUET \geq Band 3 before graduation / TOEFL \geq 550 / IELTS \geq 5.5

- * SPM Credit = Grade C and above
- * SPM Pass = Grade E and above

Bachelor of Medical Imaging - Part Time (Hons)

R2/0914/6/007 (02/2032)
(MQA/FA1680)

- Pass Diploma in Medical Imaging with CGPA \geq 2.75 OR
- Pass Diploma in Medical Imaging with CGPA $<$ 2.75 - minimum 3 years in relevant working experience

Additional requirements:

- MUET \geq Band 3 before graduation / TOEFL \geq 570 / IELTS \geq 5.5. This requirement is waived if previous diploma programme was taught in English language (a confirmation letter by a relevant authority is required).

* Science subjects include General Science, Applied Science, Physics, Biology and Chemistry

* Mathematics subjects include Elementary, Additional and Modern Mathematics

* Equivalent = Refers to the local and overseas academic qualifications obtained that are equivalent to SPM as approved by MQA

Entry Requirements

BACHELOR

Bachelor of Pharmacy with Honours

R/0916/6/0018 (07/2028)
(MQA/FA5082)

1. Pass STPM with CGPA ≥ 3.0 OR
2. Pass A-Level* and obtained 3B or 2A1C or 1A1B1C in Biology, Chemistry and Physics/Mathematics OR

**Note: (With reference to Score System Universities and College Admission Service (UCAS) Pass Matriculation/Pre-Medical/Pre-Pharmacy/Foundation in Science with CGPA ≥ 3.00 OR implemented at United Kingdom for the result of A-Level with a score of A+ = 140, A=120, B=100 and C=80). The 3B suggested by Malaysian Pharmacy Board is equivalent to a total score of 300 with B for Chemistry subject.*

3. Pass Matriculation/Pre-Medical/Pre-Pharmacy/Foundation in Science with CGPA ≥ 3.00 & MUET \geq Band 3 before graduating / TOEFL ≥ 550 / IELTS ≥ 6.0 (minimum 5.5 for writing, reading, listening/speaking) OR
4. Pass Diploma in Pharmacy OR Pass Diploma in Health Science or equivalent with CGPA ≥ 3.50 OR
5. Bachelor in Science with a CGPA of 2.75 (grade C+)

Additional requirements:

- 1,2,3,4 • Pass SPM with credits in Bahasa Melayu and English
- 1,2,4 • MUET \geq Band 3 before graduation
- 1,2,3,5 • Grade B in Chemistry
- 3 • Pass SPM with minimum 5B in Biology, Chemistry, Physics, Maths/Add Maths and 1 other subject
- 4 • Pass SPM with minimum 2B in Chemistry and Biology/Physics/Maths/Add Maths and credit 3 other subjects including English

* SPM Credit = Grade C and above
* SPM Pass = Grade E and above

Bachelor of Pharmaceutical Science With Health Sciences (Hons)

R2/0916/6/0023 (03/2032)
(MQA/FA1682)

- Pass Foundation or equivalent with CGPA 2.33 in any 2 of the following subjects - Biology, Chemistry, Physics/Mathematics OR
- Pass A-Level or equivalent with grade D in any 2 of the following subjects - Biology, Chemistry, Physics/Mathematics OR
- Recognised diploma in related fields with CGPA ≥ 2.75 OR
- Recognised diploma in related fields with CGPA < 2.75 - minimum 3 years in relevant working experience

Additional requirements:

- MUET \geq Band 3 before graduation / TOEFL ≥ 550 / IELTS ≥ 5.5 .

Bachelor of Psychology (Honours)

R/3116/6/0089 (03/2027)
(MQA/FA7944)

- Pass STPM minimum Grade C in any 2 subjects OR
- Pass STAM with Jaiyyid grade OR
- Pass matriculation/Foundation CGPA ≥ 2.00 OR
- Diploma (level 4) CGPA ≥ 2.00 OR
- Diploma Kemahiran Malaysia (DKM) / Diploma Lanjutan Kemahiran Malaysia (DLKM) / Diploma Vokasional Malaysia (DVM) subjected to HEP Senate / Academic Board's Approval OR
- Advanced Diploma (Level 5, MQF) in relevant field with CGPA ≥ 2.0

Additional requirements:

- Pass SPM with credit in any Mathematics subject and any Science subject, and pass English

* Science subjects include General Science, Applied Science, Physics, Biology and Chemistry

* Mathematics subjects include Elementary, Additional and Modern Mathematics

* Equivalent = Refers to the local and overseas academic qualifications obtained that are equivalent to SPM as approved by MQA

Entry Requirements

BACHELOR

Bachelor of Science in Nursing (Hons)

R/723/6/0082 (10/2025)
(MQA/FA1764)

- Pass Diploma/STPM/ Matriculation or any Diploma with CGPA \geq 2.50 OR
- Pass A-Level minimum grade C in three (3) subjects

Additional requirements:

- Pass SPM or equivalent
- Credit in any Science subject in SPM or equivalent
- Credit in any Mathematics subject in SPM or equivalent
- Credit in English OR
- MUET \geq Band 3.00 / IELTS \geq 5.5 / TOEFL \geq 515 / Cambridge English Advanced (CAE) / Cambridge English Proficiency (CPE) Pearson Test of English (PTE)

Bachelor of Science in Nursing (Honours) - Flexi Mode

R/723/6/0082 (10/2025)
(MQA/FA1764)

- Pass the Diploma in Nursing
 - Registered with the Malaysia Nursing Board and have a valid Annual Practising Certificate
 - Minimum 2 years in clinical working experience
 - MUET \geq Band 3.00 / IELTS \geq 5.5 / TOEFL \geq 515 / Cambridge English Advanced (CAE) / Cambridge English Proficiency (CPE) Pearson Test of English (PTE)
- (Credit transfer allowed)**

* SPM Credit = Grade C and above
* SPM Pass = Grade E and above

* Science subjects include General Science, Applied Science, Physics, Biology and Chemistry

* Mathematics subjects include Elementary, Additional and Modern Mathematics

* Equivalent = Refers to the local and overseas academic qualifications obtained that are equivalent to SPM as approved by MQA

Academic Programmes

Bachelor

Bachelor Of Business Management (Honours)

R/345/6/1026 (04/2027) (MQA/FA7210)

Duration
Full Time (3 Years)

Intake
April & October

The programme offers a comprehensive curriculum in management, marketing, accounting, finance and entrepreneurship. Students enrolled in the programme will acquire the core business knowledge needed to succeed in a diverse business environment. As an integral part of their learning experience, students will engage in practical training at various organisations through a mandatory 20-week internship in their final year.

Career Pathways:

- Financial Planner
- HR Consultant
- PR Marketing Executive
- Business Development Executive
- Management Executive
- PR Marketing Executive
- Customer Service Executive

Bachelor of Medical Imaging (Hons)

R2/0914/6/0007 (MQA/FA1680)

Duration

Full Time, Part Time
(4 Years)

Intake

April & October

Career Pathways:

- Diagnostic Radiographer
- Clinical Instructor
- Healthcare Research Assistant
- Application Specialist
- Tutor (Educational Pathway)

The aim is to prepare students to become proficient diagnostic radiographers. It is meticulously designed in collaboration with industry professionals to align closely with the evolving needs and standards of radiology practice.

The modules are crafted not only to provide graduates with essential knowledge and skills but also to cultivate their interpersonal abilities, critical thinking and decision-making skills to the highest level. Additionally, students also develop a deeper understanding of anatomy, physiology, pathology, radiographic physics, patient care and various imaging modalities.

Bachelor of Occupational Therapy (Honours)

R/726/6/0067 (02/2029) (MQA/FA5700)

Duration

Full Time (4 Years)

Intake

April & October

The aim is to equip students with the comprehensive knowledge and skills needed to support patients in becoming independent in their daily lives, at work, at play and in their leisure activities. The curriculum is structured as an all-inclusive programme that blends high-quality instruction with practical clinical training. Students will develop hands-on skills through traditional and scenario-based learning methods on campus as well as during practical training at hospitals and various rehabilitation centres.

Career Pathways:

- Occupational Therapist (Hospitals, Rehabilitation Centre, Paediatric, Geriatric Centre and Special Education Centre)
- Tutor (Educational Pathway)

Bachelor of Pharmaceutical Science with Health Sciences (Hons)

R2/0916/6/0023 (03/2032) (MQA/FA1682)

Duration

Full Time (4 Years)

Intake

April & October

Career Pathways:

- Research and Development Executive
- Quality Assurance & Quality Control
- Regulatory Affairs
- Production Executive
- Halal Officer
- Product Specialist (Marketing)

The programme emphasises the importance of combining theoretical knowledge with practical skills crucial for success in the pharmaceutical, nutraceutical and healthcare fields.

Students have the opportunity to actively engage in the Centre of Excellence for Pharmaceutical Sciences, which is equipped with cutting-edge analytical equipment including HPLC, gas chromatography, FTIR, flame photometry, among others. Designed to meet rigorous academic and industry standards, the programme covers essential subjects such as pharmacokinetics, pharmacology, pharmaceuticals, pharmacognosy and pharmacoeconomics, ensuring students are well-prepared for various career paths. During industry attachments, students receive guidance and mentorship from experienced pharmaceutical professionals, enhancing their expertise in providing care, education and research within the field.

Bachelor of Pharmacy with Honours

R/0916/6/0018 (07/2028) (MQA/FA1681)

Duration

Full Time (4 Years)

Intake

October

The programme is accredited by both the Malaysian Qualifications Agency and Pharmacy Board of Malaysia. It is meticulously structured to provide students with the necessary theoretical, practical and clinical expertise to qualify as registered pharmacists in Malaysia. Throughout the programme, students acquire clinical exposure in patient pharmaceutical care at KPJ Specialist Hospitals and public healthcare facilities, while also honing research abilities in advanced laboratories at KPJU. Upon graduation, students have the opportunity to fulfil their Provisional Registered Pharmacist (PRP) requirements across diverse industries, including at the KPJ Specialist Hospitals.

Career Pathways:

- Licensed Pharmacist
- Pharmaceutical Research and Development
- Drug Regulatory Expert
- Clinical Research Associates
- Pharmaceutical Sales and Marketing
- Entrepreneur

Bachelor of Physiotherapy (Hons)

R/726/6/0036 (01/2026) (MQA/FA1679)

Duration

Full Time (4 Years)

Intake

April & October

The programme offers a comprehensive training, opening opportunities for a fulfilling career in various physiotherapy disciplines. Over the span of four years, students will explore essential topics including musculoskeletal physiotherapy, cardiopulmonary physiotherapy, neurological physiotherapy, paediatric physiotherapy and geriatric sports physiotherapy. Throughout clinical placements, students will receive valuable guidance and mentorship from experienced physiotherapists who demonstrate excellence in providing care, education and research within the field of physiotherapy.

Career Pathways:

- Qualified Physiotherapist
- Tutor (Educational Pathway)
- Sales Advisor for rehabilitation equipment

Bachelor of Psychology (Honours)

R/311/6/0089 (03/2027) (MQA/FA7944)

Duration

Full Time (3 Years)

Intake

April & October

The programme offers a comprehensive education in understanding human behaviour and mental processes, covering developmental psychology, clinical psychology, abnormal psychology, educational psychology, industrial and organisational psychology and counselling skills. Students will acquire the ability to analyse and interpret behaviour, comprehend its influencing factors and apply psychological principles across diverse settings. Through both theoretical coursework and practical experiences, students cultivate critical thinking abilities, research competencies and an appreciation for ethical considerations within the field of psychology.

Career Pathways:

- Psychology Officer
- Human Resource Officer
- Special Need Teacher
- Research Officer
- Tutor

Bachelor of Science in Nursing (Hons)

(R/723/6/0082) – (10/2025) (MQA/FA1764)

Duration

Full Time (4 Years)

Intake

April & October

The programme is accredited by both the Malaysian Qualifications Agency and Malaysia Nursing Board. It prepares students for a broader scope of nursing education. The four-year programme offers comprehensive nursing subjects including leadership, research, community health and essential clinical skills. It emphasises critical thinking and communication skills alongside evidence-based practice, to enhance students' professional development. Upon graduation, students are ready to sit for the Malaysian Nursing Board exam and earn their State Registration as licensed nurses. Additionally, this programme is catering to the needs of working professionals seeking flexible study options

Career Pathways:

- State Registered Nurse (Public and Private Hospitals/clinics)
- Public Health Advisor / Educator
- Healthcare Administrator / Ward Manager
- Nursing Homes Provider
- Nursery Lecturer (Academic)

Student's Life

Make the most of your tertiary education with us. Our range of student activities caters to a variety of interests and **passions**, offering opportunities for **personal growth, leadership** development and making **meaningful connections**. Through these activities, students enhance their academic experience, build lifelong friendships, develop valuable skills and contribute positively to society.

Learn about even more ways to get involved

Student Success and Talent Unit is dedicated to supporting you throughout your academic journey and ensuring you have the best student experience possible. Follow our social media pages below to find out more about the latest student events, activities, and important updates.

Are you ready to make an impact?

01 Opportunity for Hands-On Experience with the Medic Team

Join our esteemed Medic Team and put your medical skills into practice at key school and sports events, such as Sports Day, Cross-Country Competitions, and more. This is a unique opportunity for you to gain real-world experience by providing medical assistance in dynamic, fast-paced environments, while enhancing your practical expertise in emergency response and patient care.

02 Giving Back Through Corporate Social Responsibilities (CSR) Activities

Make a meaningful difference in the community through our Corporate Social Responsibility (CSR) programmes. Our students actively engage in community service initiatives, including volunteering at local hospitals, organising health awareness campaigns, and delivering essential healthcare services. These experiences not only enrich your professional journey but also allow you to contribute to the well-being of those in need.

03 Connect Through Our Clubs & Associations

Our vibrant student clubs and associations offer a unique platform for you to connect with like-minded individuals and actively engage with the campus community. Joining one of our clubs or associations will enhance your student experience, foster lasting friendships, and provide countless opportunities for personal growth and involvement.

Alumni

Your journey with KPJU Group doesn't end at graduation - it evolves into a lifelong connection

Join our vibrant **alumni** network, we'll keep you informed with the latest updates, event invitations, and opportunities to stay engaged with KPJU Group and fellow alumni. With a global presence, our graduates have built successful careers across the world, from Singapore and the UK to Saudi Arabia. They continue to apply their healthcare expertise to make a positive impact in businesses of all sizes. Our alumni remain actively involved in professional development through continuous training and educational programmes, ensuring they stay at the forefront of the healthcare field.

The growing demand for our graduates is a testament to the exceptional calibre of our alumni and the lasting impact they have on the global healthcare community.

As we look to the future, KPJU Group remains committed to nurturing competent, compassionate medical and healthcare professionals who will lead the way in improving health outcomes and enhancing the well-being of communities worldwide. Your success is our pride, and together, we will continue to shape the future of healthcare.

“The nursing profession is about more than just treating the sick; it's about providing holistic care—physically, emotionally, and spiritually—to all walks of life. This powerful advice from one of my KPJU lecturers inspired me to pursue my Diploma in Nursing. I am deeply grateful for the opportunity to be part of the KPJU family.

Farisha Nabila binti Hamad Zali
Diploma in Nursing, 2023

“The programme equipped me with all the skills and knowledge I needed to succeed in my career. The lecturers were incredibly supportive, and the teaching methods made learning enjoyable. Time flew by quickly, and I can hardly believe my three years at the university have come to an end.

Raja Ahmad Nizar bin Raja Sharul Zaman
Bachelor of Physiotherapy (Hons), 2018

“KPJU has been an incredible place for both my education and personal growth. I made lasting friendships and received a curriculum that was perfectly aligned with real-world healthcare needs. The lecturers are highly experienced and always approachable, making learning a truly fulfilling experience.

Muhamad Afzan Syafiq bin Aslin
Diploma in Healthcare Management, 2022
(Currently pursuing Bachelor of Physiotherapy (Hons))

“This programme offered hands-on training in both hospital and retail pharmacy settings. What stood out to me the most was the innovative teaching approach, which focused not only on knowledge acquisition but also on developing professional and interpersonal skills.

Amirul Affiq Hazwan bin Mohd Nazri
Bachelor of Pharmacy (Hons), 2023
